

SOUTHERN ROOTS

BY CRAFTMASTER

New fabrics/frames from April-2024 Market will not fall within normal lead times & will take approximately 4-6 months to ship.

April-2024 Market new items are not currently on our website.

Always check fabric &/or leather availability on your dealer portal when placing orders since out of stock items will negatively impact lead times. Please note that leather furniture lead times will overrule fabric furniture lead times if you have both leather furniture & fabric furniture on the same order.
